**Re: United States v. Chaim Eli Poretz, 24 Cr. 496-RK-1**

Dear Robert Kirsch:

With the consent of pre-trial services and the Government, we are writing to request that Mr. Poretz be allowed to obtain, from pre-trial services, his passport for a short period of time. In short, Mr. Poretz needs his passport in order to secure a new social security card for one of his minor children. With the Court's permission, Mr. Poretz would pick up his passport from pre-trial services, attend the necessary appointment at an office in Brick, NJ to replace the social security card, and then return the passport to pre-trial services. We expect that Mr. Poretz would only need access to his passport for one or two days, and Mr. Poretz would follow all directions provided by pre-trial in connection with the retrieval and return of the passport. Pre-trial Services Officer Nailah Green and Assistant United States Attorney Babasijibomi Moore have consented to this request.

Thank you for your consideration of this matter.

Respectfully Submitted,

COZEN O'CONNOR
